TRAVEL TO COLEMAN COUNTRY DAY CAMP

This year's event will once again be held at the 13-acre Coleman Country Day Camp, located in Merrick, New York on Long Island. Parking is limited so if you plan to drive you will be parking at the Merrick Station of the LIRR. Shuttles will be running all day for the two-minute ride to the camp. You can also take the Long Island Railroad from Penn Station, Atlantic Terminal, or Jamaica to the Merrick Station, where shuttle buses will be waiting to bring you to the camp.

IMPORTANT INFORMATION: You can expect that trains will leave approximately every half hour from Penn, Atlantic and Jamaica stations for Merrick. The same will be true for the return trip from Merrick to these stations. When planning your trip you should check with the LIRR to see which train is most convenient for you (www.mta.info).
