DIRECTIONS

Take the D, F, N, or Q to the Coney Island/Stillwell Avenue stop. Upon exiting, proceed down Stillwell Avenue to the Boardwalk, and then take a right and go to 19th Street and the Boardwalk, which is right by the Parachute Fall, a tall, red, mushroom-shaped metal structure. This is where registration for the walk will take place (from 10:00-11:00) and where you can purchase wrist bands if you have not done so already.
